Evaluation Criteria

In 250 words or less for each criterion, use separate sheet if needed. Use generic descriptions for nomination Identifying information, like County instead of Sacramento County.

A. **Project Benefits:** (Community enhancements, better working conditions for employees, Public-Private Partnerships, Innovation, improvements to service delivery, provides a long-term financial benefit to county taxpayers):

B. **Project Design:** (Fits within surrounding area, strong visual appeal, meets or exceeds program requirements, exceeds requirements of the building code, meetings requirements of LEED, demonstrates sustainable concepts):

C. **Project Complexity:** (demonstrates technical or engineering innovations, unusual funding requirements, complex site or building constraints, inter-relationship-coordination of building support systems to meet project goals, public interaction to gain approval.):

Photographs – Include a minimum of three (3) photographs and one (1) graphic (site/floor plans/other drawing) and email files separately. Number each image file to ensure that they are correctly assembled for the Jury. Digital images may be JPEG format (150 dpi) **or** a PDF file. Multiple images may be submitted in the PDF file as long as they are individually identified.

Note: Electronic file name should have no spaces and include *project name* and *image number* (i.e. "AdminBldg-01.jpg")
