Annual Membership Renewal Notice: \$125 for period September 1, to August 31,

The California Counties Architects and Engineers Association (CCA EA) is a networking organization of working County professionals responsible for planning and delivering County capital improvement projects throughout California. CCA EA convenes approx. three times per year to share information on topics of mutual interest and best practices, monitor legislation affecting County projects, and engage in roundtable discussions of issues and challenges on capital projects planned or in progress.

Annual membership in CCA EA, effective September 1, is one hundred twenty-five dollars (\$125.00) per year per County for one attendee at CCA EA meetings. However, if you are paying this fee after the annual due date of August, then please make payment in the following way:

If after August but before December, please pay \$93.75

If after December but before March, please pay \$62.50.

If after March, please pay the full amount of \$125.00.

Alternate person representing your county? (*fee amount doubled*)

Fee Amount:

This membership provides you with access to a network of County professionals, opportunities to share and learn about best practices, and a platform to discuss and address challenges in public sector capital projects.

The fee for additional attendees from the same Member County or Non-Member County attendees is forty (\$40) dollars each per meeting. Annual dues are payable each September and cover membership from September 1 through August 31.

The CCA EA's Tax ID/Employer Identification Number (EIN) is #30-0546021.

To renew your County's membership or to join, please return this invoice with a check payable to the California Counties Architects and Engineers Association or CCA EA to the treasurer at the address below. If you are in the process of making the payment, you are welcome to attend meetings. Just inform the meeting host or a board member in attendance that the annual dues payment from your county is being processed. We understand that processing payment requests in local government takes time, and we appreciate your patience.

Thank you,
